Hand Watering of plants & flowers, **NOT** to include grass, is allowed any day during the permitted hours. Please contact the Water Department at 817-237-1234 ext. 301 with any questions.

CONSUMER CONFIDENCE REPORT FOR WATER SUPPLY

The 2012 Annual Drinking Water Quality Report, also known as the Consumer Confidence Report (CCR), is enclosed in this month's water bill. The Town is required to provide this information to water utility customers. Hopefully this information will assist you in becoming more knowledgeable about what is in your drinking water. This information will be posted on the Town's website, www.lakesidetexas.us, and will also be posted on the bulletin board at Town Hall. Call 817-237-1234 ext. 303 with questions.

Happy Fourth of July!! Please celebrate safely.
Fireworks are prohibited in Lakeside because they are a serious fire hazard. So, take your family to a public fireworks display in the area and leave the fireworks to the professionals!

MESSAGE FROM MAYOR PATRICK JACOB

As you may have heard, the first case of West Nile was diagnosed near downtown Fort Worth. At the same time no mosquitoes trapped in that tested positive for the virus. Unfortunately, no one, including the person diagnosed knows where they were bitten. Please take the recommended precautions, use repellent spray when you are outdoors during dusk and dawn—mosquito time.

We attended the latest Lake Worth project briefing; the dredge will be working the North shore area in September. Every effort has been made to remove all stumps where the dredge has cleaned up. Some folks have noticed a bluer color of the lake water where it has been made deeper. Plans for the construction of the Trinity Trails extension are nearing completion. The trails will be extended around the lake to Camp Joy park. The latest presentations are at <http://fortworthtexas.gov/boards/lakeworthrcc/>.

In a meeting with the Town, Chesapeake announced they will be adding another well at the Weaver site. This will be the third well for the site. The company still needs to file the well application following the process outlined in the Town's ordinance. As always, check the Town's website for the latest information <http://www.lakesidetexas.us>.

PAT

“FOR LAKESIDE RESIDENTS ONLY”

BULKY AND LARGE ITEM WASTE PICKUP

The bulky and large item pickup will be held beginning July 17th. You may put items at your curb Saturday July 13th. The Large item pickup usually takes 5 to 7 days to complete after IESI begins to collect items. Large item pickup is limited to what two men can pick up in a 5 minute period. Removal of large items such as furniture, stoves, and water heaters, heating units, and any other appliances or similar bulky items from residential properties will occur on the quarterly bulk pickup. Refrigerators, freezers, and air conditional units will only be picked up if the resident supplies a certificate from a certified technician that CFCs (chlorinated fluorocarbons) have been properly removed. The landfill will not accept the appliance without a certification tag nor will IESI pick it up. If you have carpeting, flooring, or any construction material, these items can be picked up for a fee and you will need a supervisor to give an estimate on the charge. You will need to call IESI at 817-222-2221 to schedule the estimate and the material must be curbside. No IESI employee will go onto your property to take a look at the material. Be sure to secure items to prevent trash from blowing out onto the road. Thank you.

NATIONAL NIGHT OUT IN LAKDESIDE, TUESDAY, OCTOBER 1, 2013

Mark this date on your calendar! Come out and participate in the annual National Night Out at Town Hall on Tuesday, October 1, 2013 from 5:30 to 8:00 pm. The event is held in conjunction with the Tarrant County Sheriffs Office and is designed to heighten crime and drug prevention awareness; strengthen neighborhood spirit and police-community partnerships. **More details will be in future newsletters.**
