Mayor Patrick Jacob
Mayor Pro Kim Ware
Councilmember Jim Elliott
Councilmember Dale Martin
Councilmember Amy Robinson
Councilmember Bill Mohr

May 26, 2014
Honor the men & women that made the ultimate sacrifice for our freedom.

Annual Water Conservation Plan Begins Thursday, May 1st

The Town's annual water conservation plan begins Thursday, May 1st and ends Wednesday, October 1st. You may only water two days each week. This reduces the daily stress on the water production system by almost 40%. The plan is outlined as follows:

- No property may use water for watering and landscaping purposes at any time on Mondays.
- No watering is allowed between 10 a.m. and 6 p.m. on any day.
- Hand watering of plants and flowers, not to include grass, is allowed any day during the permitted hours.
- You have two days each week you can water your lawn, before 10 a.m. or after 6 p.m. The schedule is to follow, and is divided according to the last number of your address:

ENDING NUMBER OF ADDRESS DAYS YOU MAY WATER

0 THRU 3
4 THRU 6
7 THRU 9

Tuesday and Friday
Wednesday and Saturday
Thursday and Sunday

For more information, check out www.texaswatermatters.org

**VOTE AT TOWN HALL
SATURDAY, MAY 10TH
7 AM TO 7 PM**

**EARLY VOTING BEGINS APRIL 28TH
& CAN BE DONE AT LAKE WORTH
SHERIFF'S NORTH PATROL OFFICE**

MESSAGE FROM MAYOR PATRICK JACOB

Water system project update: The geology report for the water tower site came back showing the site provides a good foundation. The plans for the tower are nearly completed. The current plans are available at Town Hall for your review.

Recovery from the Water Department fire is progressing. The insurance company investigators are still reviewing the cause. This has not affected water service. We have begun replacing the Town's equipment that was lost in the fire.

May 8th, Fort Worth will host the second annual Senior Synergy Expo. This event is at Will Rogers Memorial Center and is open to everyone in Tarrant County. Seniors will have access to health screenings, workshops, and exhibits.

As always, check the Town's website for the latest information <http://www.lakesidetexas.us>.

GARAGE SALE PERMITS

With Spring upon us and Summer just around the corner, it is the perfect time for garage sales. If you plan on having one, please remember to first stop by Town Hall for a permit. Permits are \$10.00, sales are limited to two per calendar year, and only on Friday, Saturday or Sunday.

Annual Pet License Renewal Deadline May 31st

Just a reminder dogs and cats should be registered annually with the Town. The fee is \$8 per pet. Proof of current rabies vaccination is required. Registration hours are Monday-Friday, 7:30 a.m. to 4:30 p.m. Call 817-237-1234 ext. 301 with questions.

WEST NILE VIRUS

Nationwide, 2012 represented the greatest number of human cases of West Nile Virus since 2003 with a third of all cases reported from Texas. The North Texas region accounted for approximately 92% of all cases in Texas. Consequently, Tarrant County has taken steps to expand and modify its West Nile Virus surveillance and response program. They are increasing the emphasis on mosquito surveillance earlier this year, and expanding and remodeling the surveillance trapping system and developed a phased response to mosquito surveillance.

In an agreement between the Town of Lakeside and the County, Tarrant County will provide traps and laboratory testing for the mosquito samples, while the city operates the traps and submits samples for testing. The County has provided Lakeside with three traps that the Water Department will place around the town every other Wednesday and taken up the following morning. One trap will be placed at the sewer plant, one at the compound and the third will be placed in a different location each time. The Tarrant County Public Health Guidelines for Phased Response to Mosquito Surveillance has been posted on our website. You can view it by going to www.lakesidetexas.us.
