Message from Mayor Patrick Jacob

New Face at Town Hall: We are no longer operating short handed at Town Hall. Diane Wolfgang has joined the staff and is working at the front desk. She will be there to help with your water bills, permits and general questions.

Silver Creek Road Update: An inquiry has been made to the City of Fort Worth regarding the start date for the Silver Creek Road project. This is an important route to our community and everyone wants to know how the project will affect us and all the regular traffic that uses the road.

Pickle Ball is Here: The sport court by Town Hall has been updated for Pickle Ball. Pickle Ball is a paddle ball sport that combines the elements of badminton, tennis and table tennis. The game is played by 2 or 4 players per court using solid paddles and a waffle type ball. This is the first court in Northwest Tarrant county. Check it out on YouTube.

New Police Officer: The town has added a new Police Officer to our staff. He will be part time as are many of the Officers on our staff. He will start the first week of May.

Eye On Water: This is the Advanced Meter Reading system. This system will allow your Town to save money and labor hours that were spent in past reading meters. Public Works staff can now focus on other needed projects. There is more information posted on the Town's website and will be in this newsletter future newsletters. You can download the APP on your phone/tablet to self monitor your meter.
