TO ENSURE A WORRY-FREE HOLIDAY, HERE ARE SOME SIMPLE SAFETY TIPS TO KEEP YOUR FAMILY AND HOME SAFE FOR THE HOLIDAYS

- * Remove objects that might allow access to your home. For example, ladders for cleaning out gutters.
- * Don't post travel plans on Social Media letting people know that you will be out of town.
- * Make sure you have all mail, newspapers and deliveries stopped or picked up by a friend or neighbor.
- * Never leave a key hidden outside. Burglars know all the best hiding places.
- * Secure all windows, including those upstairs and reduce the chance of easy entry by cutting tree limbs away from second-story windows.
- * Have a friend move your car occasionally if it is parked in the driveway.
- * Use timers to operate lights.
- * Review your answering machine message to be sure it does not imply that you are away.
- * Fill out a House Watch form and submit it to Town Hall for the Lakeside Police Department for extra patrols around your house. House Watch forms are available at Town Hall or on our website.

Just a reminder, the endpoints, meters, and curb stops inside the water meter box should not be tampered with, as damage can occur. The curb stops, meters, wiring antennas, and meter boxes are property of the Town of Lakeside. Should you need to connect or disconnect the water, or have any other concern involving the meter box, please contact Town Hall for assistance at (817)237-1234, or after hours at (817)738-3675.

The fine for tampering is \$150.00, and this charge will be added to the cost of defective equipment or parts if damage has occurred.

TOWN HALL FOOD DRIVE & TOYS FOR TOTS DONATIONS

The Town of Lakeside will be starting the annual food drive for the Tarrant Area Food Bank and collecting new toys for Toys for Tots.

One of the most important parts of the holiday season is giving to those in need. Here in Tarrant County, there are thousands of underprivileged families, children, veterans and homeless that need your help to make it through another year. It's only through the compassion and goodwill of local citizens that keep these organizations going strong and helps put smiles on the faces of the less-fortunate.

If you want to spread some holiday joy to those in need you can bring your donations to Lakeside Town Hall. Lakeside will be collecting non-perishable food items, canned food and new toy items during Town Hall business hours, Mon.– Fri., 7:30 am—4:30 pm. Collection will begin Thursday, November 1st and end on Monday, December 10th.

Last year we had very generous donations to the Tarrant County Food Bank. Lets see if we can collect even more this year!

If you are considering signing up for EyeOnWater, it is easy to do. Your EOW (EyeOnWater) account number is found at the bottom of your monthly water bill in bold print. This allows you to monitor your water usage. You are also able to establish alerts including identifying potential leaks.

Lakeside offers Automatic Bank Draft to our water customers. Bank draft is on the 10th of the month. You may stop in at Town Hall for the form or print it from our website. The completed form must be returned to Town Hall with a voided check from the account you want your payment to be drafted from.

Fall Clean Up? Household hazardous waste? The Town of Lakeside has an interlocal agreement with the city of Fort Worth to allow it's citizens to take household hazardous waste to the Environmental Collection Center located at 6400 Bridge St for disposal. Citizens must pick up a voucher from Town Hall to take with them to the center. The fee is \$50.00.
