## MESSAGE FROM MAYOR PATRICK JACOB

**Water System:** Construction has begun on the new 300,000 gallon water tower and is scheduled to be complete in about 1 year. Improvements also include adding lines to eliminate dead end circuits and increase delivery capability. The current supply line to Ella Young is being increased in size. This will allow for a significant increase in the volume of water that can be delivered to the area. There is still a lot of improvements remaining to be made to the individual service lines, but the basic distribution lines, the backbone to the system is concurrently being improved with the construction of the new water tank.

**Home Energy Efficiency:** ONCOR is offering a home energy efficiency evaluation. There are 2 key requirements in order to get the evaluation, 1) The evaluation is free to the home owner of record. 2) Your electric provider must be an ONCOR customer. The team will do a before and after evaluation of your home's efficiency. They will install minor improvements to your home. Average electric savings is about \$20 per month after the evaluation. This is funded by a grant, until the funds are spent.

As always, check the Town's website for the latest information <http://www.lakesidetexas.us> PAT

## NATIONAL NIGHT OUT IN LAKESIDE

TUESDAY, OCTOBER 7, 2014

The Tarrant County Sheriffs Office and the Town of Lakeside are hosting the annual National Night Out event at Town Hall on Tuesday, October 7, 2014 from 5:30 pm to 8:00 pm. This annual event brings the Town together and builds stronger bonds within the community and it is an opportunity for various civic departments and organization to inform the residents of their services. There will be exciting activities for all ages.

We encourage participation and involvement from business in and around Lakeside to make this event a great success. If you would like to support the event you can help in several ways: you can become a sponsor with a financial contribution, donate items such as water, soft drinks or snacks, set up a booth to offer free samples of your product or services or set up a food booth and offer free tasting. There is not a charge for a booth and no restriction on the size or structure. We anticipate several hundred participants from the Town of Lakeside as well as those in surrounding communities. Interested business can contact Chief Pitts at 817-237-1234 Ext 304 or email him at lpitts@lakesidetexas.us. More information on activities at this year's event will be in the next's months newsletter and on our website at [www.lakesidetexas.us](http://www.lakesidetexas.us).
