New Year's Day Holiday  
Martin Luther King, Jr. Day  
Monday, January 21, 2013

Hope everyone had a Joyous and safe Holiday Season. Our Christmas Tree Lighting this year went very well. One of our residents brought a beautifully lit float in the shape of the old tall ship. The children and parents were able to board it and take pictures in and outside the ship. It was a big hit!

**A great time was had by all !**

### ELECTION FOR CITY COUNCIL

The first day to file to run as a candidate for City Council is January 30th. The last day to file is March 1st. Mayor held by Patrick Jacob, Place 4 held by Amy Robinson, and Place 5 held by Gaspare LaDuca are up for re-election.

Regular City Council Meetings are the second Thursday each month at 6:30 p.m.

### Christmas Tree Disposal

### MESSAGE FROM MAYOR PATRICK JACOB

A Lake Worth vision meeting was held earlier this month. Randy Whiteman, our Town Administrator and I attended the meeting. Randy was introduced to the planning committee and will be representing our town during the planning phase. There was a good presentation made by the Fort Worth Mountain biking group regarding the routing of the Trinity Trails around Lake Worth. At this point there are plans to extend them from the Lake Worth Dam to the 199 bridge and along our side of the lake ending at Camp Joy Park. This and other information-including the presentation material, on the Lake Worth development project can be found on the web at <http://fortworthtexas.gov/boards/lakeworthrcc/>.

An inquiry came from one of our residents as to what was the machinery noise that was being heard locally-she investigated and found it was the dredge. It is working on the other side of the point across from Camp Joy. As always, check the Town's website for the latest information <http://lakesidetexas.us/>
