

ORDINANCE 414
AMBULANCE SERVICES

§ 30.025 STATUTORY AUTHORITY.

This chapter is enacted by the Town of Lakeside ("this Jurisdiction"), pursuant to Tex. Health and Safety Code § 773.051, which provides that local governments may establish standards for ambulances, and pursuant to Tex. Government Code Chapter 791, which authorizes combinations of local governmental units to contract for the provision of governmental services, including the creation of administrative agencies to promote public health and welfare.

§ 30.026 GENERAL PURPOSES AND INTENT OF ORDINANCE.

It is the purpose of this Ordinance:

(A) To establish a regulated prehospital emergency medical services and medical transportation system which can provide quality clinical care with performance measures and standards, with the goal of facilitating the best possible outcomes for each patient.

(B) To establish a mobile integrated healthcare program with effective medical direction and quality assurance and review.

(C) To form an administrative agency to administer and operate the prehospital emergency medical services and medical transportation system in a service area comprised of member jurisdictions and to administer and operate the mobile integrated healthcare program.

(D) To designate the administrative agency as the sole provider of emergency and non-emergency ambulance service within this jurisdiction to maintain consistent, high-quality service while controlling costs through efficiencies and economies of scale;

(E) To provide for effective medical direction by establishing a multi-jurisdictional emergency physicians advisory board to advise the administrative agency's board and to provide independent medical oversight for all clinical aspects of prehospital emergency medical services, the administrative agency's mobile integrated healthcare program, and medical transportation which affect patient care in the service area; and

(F) To provide for effective coordination and communication between first responder agencies in the service area, the emergency physicians advisory board, and the board of the administrative agency by establishing a multi-jurisdictional first responder advisory board.

§ 30.027 DEFINITIONS.

For the purposes of this Ordinance, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Advanced Life Support. Out-of-hospital care that uses invasive medical acts (as defined in Tex. Health and Safety Code § 773.003(1)).

Aeromedical Transportation Unit. Any rotary or fixed wing aircraft providing basic or

advanced life support services and patient transportation that originates within the Service Area.

Ambulance Mutual Aid Agreement. A written agreement between the Authority and one or more entities whereby the signing parties agree to provide backup ambulance service to one another under the terms and conditions specified in the agreement.

Ambulance Service. The transportation of Patients by emergency or non-emergency ambulance.

Associate Medical Director. A licensed physician who assists the Medical Director in carrying out his or her duties under this Ordinance and the Restated and Amended Interlocal Cooperative Agreement.

Authority (Metropolitan Area EMS Authority). The public administrative agency established to administer and operate the Medical Transportation and prehospital emergency medical services system and the program for MIH (as hereinafter defined) established by this Ordinance.

Basic Life Support. Out-of-hospital care that uses noninvasive medical acts (as defined in § 773.003(2), Tex. Health and Safety Code).

Board. The Board of Directors of the Authority.

Emergency Care Attendant. A person certified as an “emergency care attendant” under § 773.046 of the Tex. Health and Safety Code.

Emergency Medical Technician (EMT). A person certified as an “emergency medical technician” under § 773.047 or an “advanced emergency medical technician” under § 773.048 of the Tex. Health and Safety Code, and any other class of EMT recognized by state law or regulation.

EMS Communications Center. The facility designated by the Authority as the central communications center from which all services offered by the Authority shall be dispatched and controlled.

First Responder. Any agency that provides first response to requests for emergency medical services and, in cooperation with the Ambulance Service, provides immediate on-scene care to ill or injured persons but does not transport those persons to healthcare facilities.

Medical Director. The licensed physician retained through a contract with or employed by the Board who is responsible for carrying out his or her duties under this Ordinance and the Restated and Amended Interlocal Cooperative Agreement and for directing the Office of the Medical Director.

Medical Transportation. The transportation of Patients by ambulance, Specialized Mobile Intensive Care Unit, Specialty Care Transport, or Aeromedical Transportation Unit, including both emergency and non-emergency transports, where such transportation originates within the Service Area.

Mobile Integrated Healthcare (MIH). Services provided by the Authority that are designed to enhance, coordinate, effectively manage, and integrate out of hospital care, in order to improve outcomes, enhance the client’s experience of care, and improve the efficiency and effectiveness of healthcare services provided to the enrolled clients.

Office of Medical Director. The clinical office of the Authority through which the Medical Director carries out his/her rights and duties under this Ordinance and the Restated and Amended Interlocal Cooperative Agreement. The Office of the Medical Director is comprised of the Medical

Director, and any Associate Medical Directors, and the employees of the Authority in the Office of the Medical Director to assist the medical directors in carrying out the Medical Director's rights and duties under this Ordinance and the Restated and Amended Interlocal Cooperative Agreement.

Paramedic. A person qualified as a certified or licensed "paramedic" as defined by Tex. Health and Safety Code Sections 773.049 and 773.0495.

Patient. An individual who is ill, sick, injured, wounded, or otherwise incapacitated, and in need of or at risk of needing medical care at the scene of a medical emergency or during transport to or from a healthcare facility.

Person. Any individual, firm, association, partnership, corporation, governmental entity, or other group, or a combination of the same acting as a unit.

Restated and Amended Interlocal Cooperative Agreement. The interlocal contract, as it may be amended from time to time, adopted by this Jurisdiction concurrently with the passage of this Ordinance pursuant to Chapter 791 of the Tex. Government Code (the Interlocal Cooperation Act).

Service Area. That geographical area which is contained within the boundaries of all the jurisdictions which become members of the Authority by adopting this Uniform EMS Ordinance and executing the Restated and Amended Interlocal Cooperative Agreement.

Special Event. Any public event located within the Service Area for which standby ambulance service is arranged in advance, and for which an ambulance is hired by the sponsor of the event or other interested party.

Specialty Care Transport. The transportation of a critically injured or ill patient at a level of service beyond the scope of the EMT-Paramedic when the patient's condition requires ongoing care that must be furnished by one or more health professionals in an appropriate specialty area; for example, emergency or critical care nursing, emergency medicine, respiratory care, cardiovascular care, or a paramedic with additional training.

Specialized Mobile Intensive Care Unit. A vehicle which is specially constructed, equipped, staffed, and employed in the inter-facility transport of patients whose requirements for enroute medical support are likely to exceed the clinical capabilities of an Advanced Life Support ambulance.

§ 30.028 EMERGENCY PHYSICIANS ADVISORY BOARD

(A) There is hereby created an Emergency Physicians Advisory Board ("EPAB") which shall, on behalf of this Jurisdiction, provide independent medical oversight for and advise and inform the Authority on all clinical aspects of Medical Transportation, the Authority's MIH program, and prehospital emergency medical services in this Jurisdiction, including such services provided by the Authority and First Responders, and shall exercise independent professional judgment in all matters related to Patient care.

(B) EPAB's membership and other matters relating to EPAB shall be set forth in the Restated and Amended Interlocal Cooperative Agreement and in the Bylaws adopted by EPAB.

§ 30.029 METROPOLITAN AREA EMS AUTHORITY

(A) By adopting this Ordinance and executing and approving the Restated and Amended Interlocal

Cooperative Agreement, this Jurisdiction has joined the Authority, which shall now be known as the Metropolitan Area EMS Authority.

(B) The Authority shall have the following powers and duties:

(1) The Authority is hereby designated as the sole provider of Ambulance Service and Special Event ambulance standby service within this Jurisdiction, whether directly or indirectly through contractors, pursuant to the terms, conditions and provisions of the Restated and Amended Interlocal Cooperative Agreement, except for those services exempted by Section (b).

(2) The Authority shall comply with all terms of the Restated and Amended Interlocal Cooperative Agreement and have all the powers and duties enumerated therein.

(3) The Authority is required to provide this Jurisdiction with Basic and Advanced Life Support Ambulance Service in accordance with system performance standards and all applicable law, rules and regulations, as well as all patient care standards that the Medical Director may from time to time promulgate;

(4) The Authority is authorized to operate an MIH program on a non-exclusive basis in this Jurisdiction.

(5) The Authority shall enter into a First Responder Agreement with this Jurisdiction and may issue, suspend, revoke, and renew permits for the delivery of First Responder services in this Jurisdiction by other agencies, subject to the credentialing process by the Medical Director and subject to rights of appeal to the Board.

(6) The Authority shall adopt standards approved by the Medical Director governing the operation of Specialized Mobile Intensive Care units and for Specialty Care Transport within the Service Area, including standards limiting the types of patients which may be transported thereby, and, subject to the credentialing process by the Office of the Medical Director, may issue, suspend, revoke, and renew permits for the operation of such units as required by this Ordinance.

(7) The Authority shall adopt standards approved by the Medical Director governing the operation of Aeromedical Transportation Units within the Service Area, including standards defining the circumstances under which such units may be deployed to emergency scenes and, subject to the credentialing process by the Office of the Medical Director, may issue, suspend, revoke, and renew permits for the operation of such units as required by this Ordinance.

(8) The Authority shall adopt standards approved by the Medical Director governing the provision of Special Event ambulance standby service within the Service Area, and, subject to the credentialing process by the Medical Director, may issue, suspend, revoke, and renew permits for the provision of such ambulance standby service; provided, however, nothing contained in this Chapter establishes the Authority as the sole provider of non-ambulance standby emergency medical services, nor shall it limit the authority of the city to regulate, manage, or govern standby emergency medical services and the provider(s) thereof.

(C) The Authority Board's membership and other matters relating to the Authority shall be set forth in the Restated and Amended Interlocal Cooperative Agreement and in the Bylaws adopted by the Authority's Board.

§ 30.030 FIRST RESPONDER ADVISORY BOARD

(A) There is hereby created a First Responder Advisory Board "FRAB") which shall advise and inform the Authority and EPAB on matters related to first response and prehospital emergency medical services in

the Service Area.

(B) The FRAB's membership and other matters relating to the board shall be set forth in the Restated and Amended Interlocal Cooperative Agreement and in the Bylaws adopted by the FRAB.

§ 30.031 VIOLATIONS.

(A) It shall be unlawful:

(1) To knowingly give false information to induce the dispatch of an ambulance or Aeromedical Transportation Unit.

(2) To perform duties as an ECA, EMT, Paramedic or emergency ambulance dispatcher without current credentials issued by the Office of the Medical Director, unless participating in a training program approved by Office of the Medical Director.

(3) To permit a person to work as an ECA, EMT, Paramedic or emergency ambulance dispatcher without current credentials issued by the Office of the Medical Director, unless participating in a training program approved by Office of the Medical Director.

(4) To use, or cause to be used, any Ambulance Service other than the Authority, except as permitted in subsection (b) below.

(5) For any person or entity other than the Authority to provide Ambulance Service within this Jurisdiction, unless pursuant to a written agreement with the Authority.

(6) For any person to provide Medical Transportation originating in the Service Area without a permit issued by the Authority.

(7) For any agency to provide First Responder services without a First Responder permit issued by the Authority, unless pursuant to a First Responder Agreement with the Authority or a written automatic aid or mutual aid agreement with this Jurisdiction.

(8) To use an ambulance for the transportation of persons other than in connection with the transportation of a Patient.

(B) It shall be a defense to any alleged violation of this section that a vehicle is being used or service is provided solely in any of the following manners:

(1) As a privately owned vehicle not ordinarily used in the business of transporting persons who are sick, injured, wounded, incapacitated or helpless;

(2) Rendering service as an ambulance at the request of the EMS Communications Center upon the declaration of a disaster by this Jurisdiction, the State of Texas, or the United States; or a declaration of a major catastrophe or extreme system overload by the Chief Executive Officer of the Authority;

(3) Any ambulance owned or operated by the federal or state government;

(4) Ambulance mutual aid calls when rendered pursuant to an Ambulance Mutual Aid agreement approved by the Authority;

(5) Special Event ambulance standby coverage, so long as such service is provided without charge by an emergency medical services volunteer provider, as defined in Tex. Health and Safety Code § 773.003(13), or the Authority has first declined to provide coverage and the entity providing coverage has been issued a permit by the Authority;

(6) Wheelchair transport services for persons other than Patients, when the service is not provided by ambulance; and

(7) Medical Transportation of a Patient where the transport originates outside the Service Area.

(C) Any person convicted of violating the provisions of Article III shall be guilty of a Class C misdemeanor and shall be punished by a fine not to exceed \$500 (Tex. Penal Code §12.23).

(D) This Section does not serve to limit any other remedies available to the Jurisdiction in law or equity.

(E) Each violation of this Ordinance shall constitute a separate offense.

§ 30.032 TRAFFIC LAWS; EXEMPTION.

When the driver of an emergency medical response vehicle has reasonable grounds to believe that an emergency exists, as determined by the EMS Communication Center, the vehicle shall be treated as an "authorized emergency vehicle" within the meaning of Chapter 546 of the Tex. Transp. Code and shall be exempt from traffic laws as provided therein.
