

NEWSLETTER

Town Hall will be closed November 11th in observance of Veterans Day and November 25th and 26th in observance of the Thanksgiving holiday.

TOWN HALL FOOD DRIVE & TOYS FOR TOTS DONATIONS

The Town of Lakeside will be starting the annual food drive for the Tarrant Area Food Bank and collecting new toys for Toys for Tots. One of the most important parts of the holiday season is giving to those in need. Here in Tarrant County, there are thousands of underprivileged families, children, veterans and homeless that need your help to make it through another year. It's only through the compassion and goodwill of local citizens that keep these organizations going strong and helps put smiles on the faces of the less-fortunate. If you want to spread some holiday joy to those in need you can bring your donations to Lakeside Town Hall. Lakeside will be collecting non-perishable food items, canned food and new toy items during Town Hall business hours, Mon.-Fri., 7:30 am—4:30 pm. Collection will begin Thursday, October 1st and end on Monday, December 7th. Last year we had very generous donations to both associations! Let's see if we can collect even more this year!

Daylight Saving Time

The first Sunday in November is when Daylight Saving Time ends in most areas of the U.S., so in 2021 we'll "fall back" one hour and return to Standard Time on **Sunday, November 7, 2021, at 2 a.m.** Be sure to set your clocks back one hour before bed Saturday night!

Friendly Reminder

If you have any changes to your information such as new phone number, new alarm company, etc. please be sure to let us know in order to keep our records current.

Pet Registration

Registration of pets is required in the Town of Lakeside. Please bring proof of rabies vaccination for each pet. The fee is \$8 per license per year. All pet licenses expire annually.

Fall Fun Fact!

Fall colors are caused by the amount of sugar in leaves. The more red in the leaf, the more sugar that leaf is storing. That is why Maple trees are so vibrant. Evergreens don't change because their leaves have a thick wax covering that protects the chlorophyll (green) in the leaves.
