Food Drive and Toys for Tots Donations

We had generous donations for our food and toy drive this year. Collection of food and toys started in November this year with people dropping off canned goods, non-perishable food items and new toys. On December 12th, the Public Works Department delivered the donated food to the Tarrant County Food Bank. Your generous donations of food weighed in at an amazing 313lbs! They also delivered approximately 250 new toys to Toys For Tots. Thank you Lakeside residents for your amazing kindness and generosity!
