With the delay at times with mail delivery, we would like to remind our residents that E-Billing is a great option for receiving your water bill. You would receive your water bill through email, avoiding the risk of it being lost or delayed in the mail. By signing up, you would also be helping the environment by saving paper. It's a **free** service offered to you by your water department. If you are interested, the form to sign up is on the back of this newsletter. Just complete it and bring it into town hall or email it to us at clerks@lakesidetexas.us. If you need assistance or have questions, please give us a call at 817-237-1234. We would be happy to assist you.
