Residents should be aware of the penalties associated with illegal igniting or shooting of fireworks in the city limits. For those citizens wishing to ignite their own fireworks, it is important to remember that the only place to legally ignite fireworks is in the unincorporated areas of Tarrant County if you own the property, or you receive permission from a property owner in an unincorporated area allowing you to ignite fireworks. For more information on fireworks safety and fireworks public education, please refer to the resources provided on [Tarrantcounty.com](http://Tarrantcounty.com) or by contacting the Tarrant County Fire Marshall at (817) 838-4660.
