Town Hall Food Drive & Toys For Tots Donations

One of the most important parts of the holiday season is giving to those in need. Here in Tarrant County, there are thousands of underprivileged families, children, veterans and homeless that need your help to make it through another year. It's only through the compassion and goodwill of local citizens that keep these organizations going strong and helps put smiles on the faces of the less-fortunate. If you want to spread some holiday joy to those in need you can bring your donations to Lakeside Town Hall. We will be collecting non-perishable food items, canned food and new toy items during Town Hall business hours, Monday—Friday, 7:30 a.m. – 4:30 p.m. We are closed for lunch from 11:00 a.m.—12:00 p.m. Collections will be accepted until **December 12th**.

Annual Lakeside Event 2025

The Town will not be having the annual Lakeside Event in 2025, which included the shredding, low-cost animal clinic and hazardous waste.

We're no longer providing this event since the excessive cost and the significant reduction in the volume of materials being submitted.

Texas Commission Environmental Quality

Through guidance from the Texas Commission on Environmental Quality (TCEQ) the Town of Lakeside, as well as all cities in Texas, has been observing and inventorying the water service lines within the water system. This includes both the public side and the private side of service lines located around the meter box near the street. The purpose of this is to identify all lead service line material within the water system. Although Lakeside does not occupy lead service line material, this inventory list is required to be submitted to TCEQ and made available to the public. The inventory list will be updated in the future as we are still working to have every service line documented. The list can be found online at <https://tinyurl.com/y49tsacj> For concerns regarding this matter, please contact Lakeside Public Works at (817)237-1234.
