UTILITY BILLING INFORMATION

You may create an account to pay your utility bill online at: <https://www.fastgovpay.com/townoflakeside> or you may scan the QR code from our website. Our website is www.lakesidetexas.us and the link or QR code can be found under "My Lakeside" and then "Online Payments". To create an account with FastGovPay, you will need to search for **Town of Lakeside**.

Many utility accounts may still have a landline for your phone number. You want to make sure the Town of Lakeside has your most update information on how to contact you. You can email your contact information if anything has changed on your utility account. Your utility account can hold up to two different phone numbers. **Email clerks@lakesidetexas.us for any changes to your phone numbers or email addresses. Or, if you want to add an additional phone number to your utility account.**

Bank draft is always available for your utility bill. You may download the form from our website. The bank draft form is found under "Departments" and then "Water Customer Service".
